

Coming together to bridge the gap to hunger.

Hunger affects our neighbors, friends and community members. We are coming together once again to help bridge the gap to hunger, to put food on the table and bring hope for tomorrow.

We invite you to join us during the month of March to help bridge the gap to hunger. All donations will stay local and go to the Harvest for Hunger efforts. Donations will be made to Feeding South Dakota and local food pantries based on dollars raised in those location communities. We thank you for joining us in these efforts!
